REPORT

Topic: Skills and Career Opportunities for Entrepreneur- A Global Pharma Perspective

Name of the speaker: Dr. Mayuren Candasamy

Occupation: Program Director, B. Pharm. (Hons), Life sciences, School of Pharmacy, International Medical University, Kuala Lumpur, Malaysia.

Ph No: 60166227648

Date: 30 May 2020

Time: 10.00am onwards

As a part of International Pharma Webinar series MNR college of pharmacy organized entrepreneur program on "Skills & Career Opportunities for Entrepreneurs - A Global Perspective".

Dr. Mayuren Candasamy, Program Director, Senior Lecturer, Life sciences, School of Pharmacy, International Medical University, Kuala Lumpur, Malaysia was invited and welcomed by Principal Dr. V. Alagarsamy on virtual platform. The speaker was introduced by Professor Dr. G. Saravanan to the audience. Dr. Candasamy elucidated the link between knowledge, skill and competency; core competencies for a pharmacist; expected skill set for the various domains of work; opportunities for a degree in pharmacy and seeking avenues to improve the skills. The speaker explained the skill set and competency of community pharmacy; hospital pharmacy; quality control and quality assurance; regulatory affairs; clinical research; academia; research; military, veterinary and care home pharmacy services; and medical writing. He also described the avenues to improve professional skills. After completion of presentation the session was open for interaction of participants and resource person. All the queries by students, faculties of different colleges were satisfied by the speaker. At the end of the session Speaker was felicitated by Virtual certificate by Dr. V Alagarsamy - Convenor of International webinar series. Positive comments and responses were recorded on zoom and 2718 participants were registered for this webinar. The detailed statistics is shown below.

Formulating an Effective Response: A Structured Approach

- Identifying the genuine and precise need
 - Elimination Potential Barriers
 - Eliciting Critical Information
 - Verifying the Context of Question
- Search strategy
- Formulating the Response
 - Building a database and assessing critical factors
 - Analysis and synthesis
 - Responses and recommendations
 - Follow up

Case Study #5

- A pharmacy student is working on a presentation involving illicit drugs.
- She knows that there have been recent news stories about adolescents using Cortidin™ (Acetaminophen and Chlorpheniramine) products for recreational use, and she is curious at what doses these products are toxic.
- Which resources would be useful for her project?
 - might start with Goldfrank's Toxicologic Emergencies.
 - followed with a search in Micromedex® 2.0; specifically the POISINDEX would provide comprehensive information on this topic.
- What search terms might she utilize?
 - Chlorpheniramine

REPORT

Name of the program: Challenges of Intellectual Property Rights in the field of Biotechnology

Date: 19/ 12/ 2019.

Resource Person and Details:

Name: Dr. Mohd. Omar

Designation: Professor, Department of Pharmaceutics, Arya college of Pharmacy.

Mail ID: omarmohammed719@gmail.com

Phone Number: 8639457467

MNR College of Pharmacy organized a special seminar on "Challenges of Intellectual Property Rights in the field of Biotechnology" for the benefit of IV B. Pharmacy students on 19-12-2019.

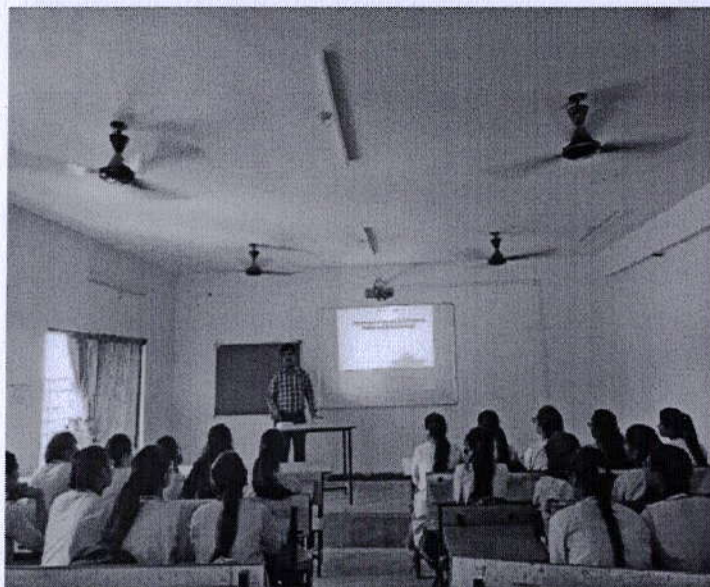

This program was started by Principal Dr. V. Alagarsamy with motivational speech on importance of conducting session on IPR and its importance in the field of pharmacy.

The session was conducted with the intention of understanding various challenges and its knowledge. This program has offered the awareness for the student regarding different aspects of IPR in biotechnology field.

In the Valedictory program held at end, a questionnaire was conducted and speaker answered all the doubts satisfactorily. Total 43 students attended the session.

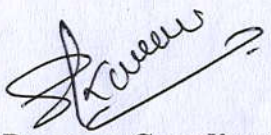

The session ended with Vote of thanks by Dr. P. Phani Deepika

REPORT

Title: "Marketing and Business Development Tips and Tricks for New Pharma Entrepreneur"

Name of the speaker: Mr. Devendra Murkar

Occupation: Deputy general manager, marketing and Business development, Mylan Laboratories

Date: 25/11/2019

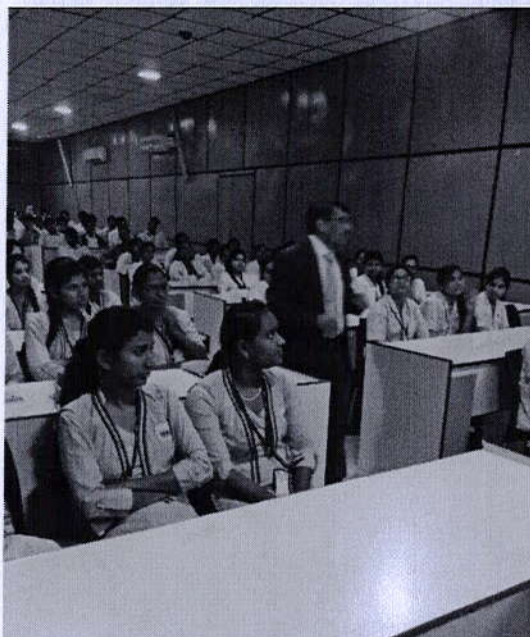

Time: 9:30am onwards

Ph No: 9000524097

MNR College of Pharmacy (MnRCOP) organized Marketing and Business Development Program in association with Mylan Laboratories, Hyderabad on 25th November 2019. The program was conducted in virtual class room, central library. The program started with the welcome address by Dr. V. Alagarsamy, Principal, MnRCOP. The Resource person was introduced by Dr. Vishakha Kulkarni and then program was handed over to resource person Mr. Devendra Murkar, Deputy General Manager, Mylan Laboratories, Hyderabad. He addressed about the marketing and business development for new Pharma graduates, and also he explained in detail about how to lead the development and execution of business unit-wide product expansion strategies to achieve short and long term business goals. The main objective of the program is to build brand awareness and enhance their brand to establish themselves as a trusted entity in the community and identify the potential clients, and the decision makers with in the client organization. B. Pharm final year students and faculty members actively participated in the program. The total number of participants were 80. The program was successfully completed with vote of thanks.

REPORT ON “CHROMATOGRAPHY: OVERVIEW AND ITS APPLICATIONS IN RESEARCH”

Name of program: Chromatography: Overview and Its Applications in Research

Name of the speaker: Mr. Mahesh Joshi

Occupation: Granules India Ltd., Hyderabad.

Contact: 9652356780

Date: 23/11/2019

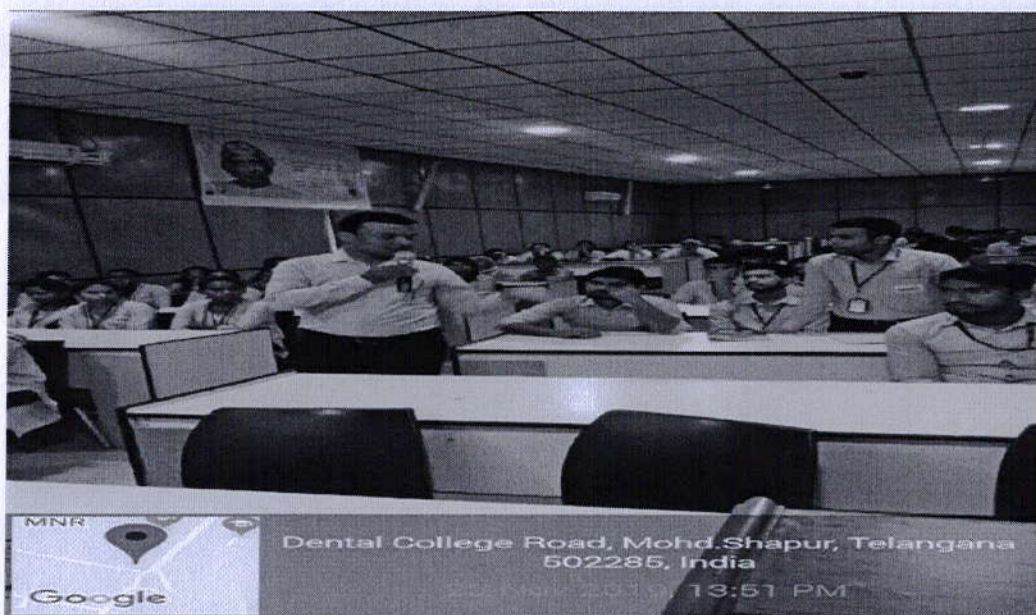

Time: 11:00AM

A scientific research session on the topic of “**Chromatography: Overview and its applications in research**” on 23-11-2019, 11:00 AM to 3:00 PM at MNR Central Library (Virtual Classroom), Sangareddy.

The session was started by Dr. V. Alagarsamy by welcoming the guest and addressing the gathering. The guest **Mr. Mahesh Joshi** discussed the importance chromatography in research. The Purpose of the guest lecture is to encourage, coordinate and implement chromatography in Research providing a scope to the students to work on latest evolving technologies to generate innovate ideas on academic and industrial problems.

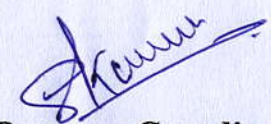

Topics covered are the use of chromatography techniques to confirm the samples contain only very limited amounts of pollutants. These techniques of chromatography are extensively employed in the pharmaceutical industry in order to analyze and identify the presence of any trace amounts of chemicals in the sample. The 46 participants were attended the session.

REPORT

Name of the program: Future aspects of IPR

Date: 13/09/2019

Resource Person and Details:

Name: Mr. Vamshi Krishna

Designation: Research Associate, Dr. Reddy's Laboratories

MNR College of Pharmacy organized one day session on "Future aspects of IPR" for the benefit of IV B. Pharmacy students.

This program was started by Principal Dr. V. Alagarsamy by introducing the guest and also various aspects of IPR. The session was conducted with the intention of understanding various new fields and to gain the knowledge about them. This seminar increased the awareness for the student regarding different aspects of IPR. Mr. Vamshi has discussed the current trends in IPR as well the upcoming scope of IPR and related job opportunities.

In the Valedictory program held at end, the students cleared their doubts on the aspects of IPR. 41 participants joined the session.

The session concluded with Vote of thanks by Dr. Vishakha S Kulkarni

REPORT

Name of the program: Reviews on IPR

Resource Person and Details:

Date: 20/07/2019.

Name: Dr. Debendra Mohapatra

Designation: Principal scientist, IICT

Mail ID: mohaptra@iictres.in

MNR College of Pharmacy organized a special IPR seminar on the topic "Reviews on IPR" which has provided the knowledge about different aspects in the field of intellectual property rights in pharmaceutical industries.

This program was started by Principal Dr. V. Alagarsamy with a brief lecture on importance of conducting session on IPR.

In this various reviews of IPR are covered. This program has increased the awareness for the student regarding different aspects about the industrial knowledge of IPR.

In the Question answer program was conducted at end, students interacted Resource person with different questions. Total 51 participants attended the session

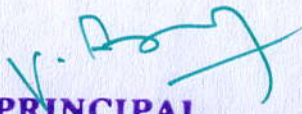

The session ended with Vote of thanks by Mrs. G .Sai Jyothsna Assistant Professor, MNRCOP.
