Director, NTA

Important Instructions

1. The NTA Score of a candidate indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw marks) that candidate in that session.
2. The NTA scores of a Candidate have been calculated as follows:
$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$

NTA score is not the same as percentage of marks obtained.
3. A National Merit Ranking (All India Rank) has been arrived on the basis of NTA Score.
4. Candidates having same Score shall be listed in a chronological (ascending) order as per their date of birth.
5. Candidates having same score would be given the same Merit, and the Merit number would be increased by the same number i.e. if there are two candidates at Merit 2, Merit 3 would not be awarded to the next candidate. If there are three candidates at Merit 2, Merit 4 would be given to the next candidate.
