*“We want that Education by which character is formed,
strength of mind is increased, the intellect is expanded
and by which one can stand on one’s own feet”*

*Swami Vivekananda
(1863-1902)*

Swami Vivekananda was a renowned thinker in his own right. One of the most important contributions was to demonstrate how Advaitin thinking is not merely philosophically far reaching, but how it also has social, even political consequences. Swami Vivekananda was a soul of pursuance if ever there was one, a very lion among men, but the definitive work he has left behind is quite incommensurate with our impression of his creative might and energy. At MNR his philosophy of egalitarianism is followed and every individual is respected.

Milestones

MNR Dental College & Hospital

- 2004 🖱 Foundation for starting the prestigious institute.
- 2006 🖱 Commencement of the FIRST Under Graduate Program (BDS)

VISION & MISSION

The Vision

To evolve into a centre of excellence in Medical Science & Technology through creative and innovative practices in teaching, learning and promoting academic achievement and research excellence. To produce internationally accepted, competitive and world class professionals who are professionally strong and emotionally balanced imbued with social consciousness and ethical values.

Mission

The MNR mission is to be a leader in helping individuals and organizations to enhance their academic effectiveness. To do so, by pursuing a balanced excellence that links theory to practice in teaching and research that are innovative, technologically fine tuned, rigorous and relevant to international standards.

Quality Policy

We at MNR aspire to establish a system of Quality Assurance, which would on a continuous basis evaluate and monitor the quality of education and training imparted at the institute, improve the teaching learning process and ultimately develop the institute as a Centre of Excellence.

Chairman's Message & Promoter of MNR

I had no opportunity to attend a school or college during my childhood. This only strengthened my determination to study more.

As I grew had this single-minded desire to offer a platform for children to pursue basic education. During these 59 years of service as a teacher and as an educator, I realised how much of our future generation's success depends on education. It is my firm belief that the two essential factors that enrich our lives are education and health and it is my endeavour to provide both through MNR Educational Trust with the help of my dedicated team.

M.N.Raju, Chairman
MNR Educational Trust.

Philosophy of **MNR**

"Every today well lived is another tomorrow well deserved"

Others saw the **PROBLEM**,
he found the **SOLUTION**

The dawn of August 15, 1974 not only welcomed the anniversary of Indian Independence but also marked the beginning of a new chapter in the annals of education in the state of Andhra Pradesh. This eventful day saw the forming of MNR Educational Trust, founded by Sri M.N.Raju, Chairman of MNR Educational Group, who conceived the idea of network of MNR Institutions long before it was given a concrete shape. A guiding and motivating force the inspire the dedicated staff members and the ever growing numbers of the student community. The philosophy of Sri.M.N.Raju is to shape the students into proud citizens of this great nation, laying emphasis on honing their innates skills and addressing their psychological and spiritual needs. His rich and varied experience has helped the group to evolve a unique student - centric teaching approach, which transforms the students into competent future professionals and lead asuccessful career.

In all these years, MNR Educational group has made an indelible mark in the education scenario with Sri M.N.Raju at the helm of affairs and the rock like support of Mr. Ravi Varma Manthena who has taken initiatives, accepted challenges and has given this nation a modern Takshashila imparting value education.

Vice - Chairman's Message

“We have inherited the passion for Education and would like to see that this passion for education spreads like an endemic. The world would then be a better place to live in. It is our dream to make MNR Group of Institutions not only the best in the country but also to make it attain the status of a Deemed University”

Ravi Varma Manthena, *Vice-Chairman*
MNR Educational Trust

The young Vice-Chairman of the Trust is accelerating the growth of the Institution with his great passion and actuary skill. As a mentor he has imbibed the legacy of Shri.M.N.Raju and working for all round development of MNR Educational Trust. Armed with optimism and a pragmatic growth approach, he believes that technology and systems will play a integral part in shaping the future of the Trust.

Principal's Message

Of all the numerous ways of creating a positive impact on society, EDUCATING is the most prolific and profound. Much like a seed, it does not stop just with blossoming into a majestic tree providing fruits and shelter but it also creates thousands of more seeds into the future. That way, even defining the future.

It is our responsibility as Educator to nurture the future minds with a solid knowledge, a responsibility we take very seriously. It has been 14 years since MNR Dental College and Hospital was established by Sri. M.N.Raju, a great visionary and educationalist and the Founder - Chairman of MNR Educational Trust.

Today the college stands proud as one of the premier dental colleges in India, providing dental education to both undergraduate and post graduate students from all over the country as well as from other regions of Asia. Education is imparted in an ethical and professional environment in which students are trained to render optimal oral health care to patients from diverse backgrounds.

The teaching and learning process involves a dynamic curriculum, which utilizes excellent infrastructure, modern technology and well experienced committed faculty and staff. Education is a fundamental and vital cog that plays an essential role towards propelling a nation's development, and hence, that of its people. Given that exalted role, it is imperative that the academic institutions which are the delivery for this education, should have a continued lookout for quality assessment and enhancement.

In this regard, under the guidance of our Vice Chairman Sri M.S. Ravi Varma, we have placed accentuated emphasis of building and strengthening a very conducive environment of research oriented academics and inciting the entrepreneurship within the students and the faculties. This is in line with the renewed spirit of innovation as envisioned by our Prime Minister Sri Narendra Modi and heightened pitch for the "Make in India" movement, with goal of elevating India as an innovation destination.

Dr. Sujatha Gopal Sooraparaju, *Principal*
MNR Dental College & Hospital

INTRODUCTION

MNR Dental College, one of the prestigious institutions of MNR Educational Trust, Sangareddy was started in the year 2006 - 2007. It is affiliated to KNR University of Health Sciences, Warangal, Telangana, Approved by Dental Council of India, New Delhi and recognized by the Ministry of Health & Family Welfare, Government of India as per the notification No.V.12017/33/2004-DE dated 6 April 2011. The genesis of MNR Dental College owes to our conviction of creating an Institution of Excellence committed to Dental Education, Treatment and Research.

At MNR Dental College, we try to inculcate scientific aptitude amongst the students not only through excellent laboratory training and class room teaching but also through abundant clinical teaching with our 610 bedded Medical College & Hospital.

COURSES OFFERED IN THE INSTITUTION:

- ☞ Bachelor of Dental Surgery 5 years duration.
- ☞ Masters of Dental Surgery course in 8 specialties since 2012 with 3 years duration in each specialty.

TESTIMONIALS

Best state of art dental college and hospital with dedicated teachers , excellent infrastructure facilities and the management focuses on outstanding dental learning experiences. The hostels are very comfortable and safe campus with good hospitality. I am Very happy and at peace with my son's future. Mr. Dr . J. Srinivas rao (Student : J.Kalyan).

MNR has a warm, caring, supportive environment for students who are motivated to learn and wish to succeed. Faculty are available to their students offering them the skills they need to have a better future. A wide range of academic courses are available with paramedical and medical courses. Very happy to be associated with MNRDCH.- Mr.Nallamala Ravi, DSP (Student : N.Srujana.)

We are grateful to the MNR Dental College and Hospital for nourishing our son with wonderful clinical expertise and also encouraging him in pursuing his research interests and we sincerely thank Principal Dr.Sujatha Gopal for always being a strong support for students of MNRDCH in following their dreams. - Mrs. Bhavani Marneedi (Student: M.Prudvi Naidu Marneedi).

MNR Dental College and hospital provides a very student friendly and stress free environment, at the same time exposes the upcoming dentists to the challenges awaiting in the real world. Their constant support to the students on individual basis helps them to grow not only as a great professional but also as a positive person.- Mr. Chakrapani Akkina (Student: Tanmayi Akkina).

We are thankful that our daughter got an opportunity to get educated in this college with excellent faculty and well equipped infrastructure with such a beautiful campus and useful resources(such as library, research lab, etc.) which helps the students to grow with creative minds and have bright future ahead.- Mrs. V.R.Jayasree (Student: V.R.Harshitha).

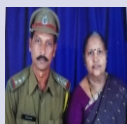

I wish to express my gratitude to MNRDCH for providing enthusiastic support which helps students to build strong career. I would like to thank the college for letting my daughter realize her inner potentials and for always encouraging her. Students here are treated with kindness and respect as individuals by faculty and support to pursue their interests and dreams.-Mr. N.V.Raghava Kumar (Student: N.Sai Tejaswini).

My experience with MNRDCH as a part of a future dentist has been excellent so far. The facilities provided for students are state of art and the atmosphere and environment is very peaceful and beautiful. Their continuous access to library with prodigious amount of books and journals helps students to acquire tremendous knowledge which in turn helps in building their confidence, career and individuality. - Mr. M.Ganesh Babu (Student: Sindhupriya Muppalla).

I feel very proud of my daughter who studied her BDS and presently pursuing her MDS in oral medicine and radiology in the same college which in my opinion is centre of excellence in dentistry. The college deserves applause from all corners for having dedicated faculty and staff excellent state of art equipment, laboratories and with at most hygiene , good environment. I wish a MNR college will be a deemed university of in near future. - Mr & Mrs Ravinder kumar & Sarala (Student : Dr, Harshitha).

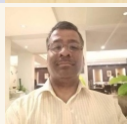

My experience with MNR as a parent has been excellent so far. The sprawling campus and the atmosphere maintained for education is exemplary. Based on the reviews I got from my daughter I firmly believed that the faculty is very supportive and having expertise in their domain. I had a pleasant experience with the administration and did not face any difficulty in the admission procedures. In a nut shell it has been a sheer pleasure to get my daughter admitted at MNRDCH. - Mr & Mrs. Y.Venkataiah & Varalaxmi (Dr.Y.Sameera).

Very happy with the Institute and its facilities. I'm sure my daughter is getting to learn everything I want her to! And yes, the biggest concern of safety has definitely been handled very well by the MNR campus! Mr & Mrs Azam Baba(Dr.Afreen Fathima).

I express my extreme gratitude towards MNRDCH as it has bestowed my daughter with eminent faculty and I consider it her fortune to be a part of MNR Family. Mr. Mohammad Tajuddin Ahmed, DCP (Student : Dr. Zafera)

Fantastic services and friendly staff! Exceeded my expectations with in terms of the facility. MNR doctors are truly professionals! Looking forward to my next visit for my new crowns. (Patient : Mr.Hemanth Kumar).
