ACTIVITY REPORT ON REMEDIAL COACHING

Students belong to different strata in academic excellence. Some students grow and succeed on their own and some need extra bit of guidance and coaching. Therefore, for students who belong to slow learning strata are given remedial classes to improve in their academic performance.

Students are categorized into slow learners based on their performance in the internal exams that are conducted thrice yearly. Keeping into account the marks secured, the slow learners are motivated to study, given extra classes to clarify concepts and doubts. Such remedial classes have been beneficial to students.

ACTIVITY REPORT ON PERSONAL COUNSELLING

Personal counselling is an important of students' growth. Students dwell with many unsaid, unspoken issues within themselves. These personal counselling sessions help students to interact closely with the staff and aid in resolving the troubling mind of the students. Experience faculties have taken up this task to comfort the students, help them to excel in academics, to motivate them to participate in co-curricular activities, and to maintain a good social well being with fellow batchmates, faculties and patients.

These one-on-one sessions are conducted regularly for the overall growth of the student. Faculties not down the areas in which students are lacking and help them in the respective manner.

ACTIVITY REPORT OF TELUGU LANGUAGE CLASSES (2018-2019)

Local language (Telugu) is mostly used language in the state of Telangana. Students admitted in MNR Dental College and Hospital come from various states across India, find it difficult with regard to communication with local peers and patients coming to the Dental college. Therefore every student should have knowledge regarding local language (Telugu). This Telugu Language class was conducted on 5-8-2018 by N. Rajasekhar Assistant Professor MNR ENGINEERING COLLEGE AND TECHNOLOGY Sangareddy. The no of students attended were 12. This course has helped the students gain knowledge regarding the local Telugu language and they are now finding it easy to communicate in Local Language.

ACTIVITY REPORT OF MS OFFICE MANAGEMENT (2018-2019)

Microsoft office management and typing program was conducted on 1-11-2018 at the CSE Department, Engineering College. The total number of students who were enrolled in the program were 20. This program was co-ordinated by Mr. Venkatesh, faculty member of CSE MNR Engineering college and Technology. Each of the 20 students was provided with an individual computer. Post graduates have to present seminars, journal clubs, presentations at conferences, hence a proper knowledge regarding application of MS Office should be there. This course includes MS Word, MS PowerPoint and MS Excel. This course also included basics of typing. This course was highly beneficial for the students which has helped the students to present at various platforms with ease.

ACTIVITY REPORT OF MEDITATION CLASS(2018-2019)

Meditation is a practice where an individual uses a technique-such as mindfulness or focusing the mind on a particular object, thought or activity to train attention and awareness and achieve a mentally clear and emotionally stable state. This meditation programme was conducted from 13-3-2019 to 15-3-2019 by Vykti Vikash Kendra India at MNR Dental College Sangareddy. This programme was attended by 14 students. This programme has helped students in reducing stress, anxiety and enhance peace, perception, self-concept and well-being.

ACTIVITY REPORT OF SPOKEN ENGLISH AND COMMUNICATION SKILLS (2018-2019)

Dentistry is a professional course which requires good English with meticulous communication skills in order to flourish. Some students who were admitted in MNR Dental College and Hospital belonged to rural areas whose main studying medium is the local language Telugu.

These students find it very difficult to learn dentistry as the instructions are taught in English language. Hence these students were trained to speak English and improve their communication skills with this program. This program was implemented on 03-12-2018 and was moderated by Mr. Shanti Kumar, Assistant Professor of English, College of Education and the number of students participated were 20.

ACTIVITY REPORT OF YOGA SESSION

Yoga is an integral part of Indian culture. It is an archaic Indian way of maintaining good physical, mental and emotional health. It involves various body postures to perform physical exercises thus, enabling great flexibility, strengthening and toning of muscles. Meditation giving a balance to the ever-wandering mind. This program was conducted in the college with the intention to provide good physical health and emotional wellbeing amongst students. The Yoga session was conducted by the Yoga Teacher from by Vkythi Vikash Kendra India at MNR Dental College, Sangareddy. on 13-03-2019 who taught basic postural positions and the simplest form of meditation. Meditation in today's world is more pivotal to students to manage the stress and to attain good and balanced emotional status. Yoga session is an overall fitness package that can be done in our own vicinity without any instruments. 14 students enrolled for the session.
