Reference Number	BIRAC/IKP0723/BIG-13/18								
Applicant Name	Vikas Sahu								
PI Name	Vikas Sahu								
Title of project	Handheld smart dental instrument to visualize dental pulp chamber and canal orifice for root canal treatment."								
Research Area	Healthcare-Devices and Diagnostics								
ESC Recommendation	The aim of the proposal is to develop a handheld Root Canal Visualizer to improve the visualization of dental pulp chamber and canal orifice in root canal treatment. In the current proposal, the applicant intends to develop the prototype, test the prototype in pre-clinical setting using phantom head with jaw set, followed by design refinement and testing in clinical settings. The Committee <i>recommended the proposal. It was suggested that during the development, the claimed product cost advantage should be retained together with reliability of the proposed solution.</i>								
Objectives	• Prototyping and pre-clinical testing and optimization ◦ Integrated Prototype development in consultation with engineers, designers and dentists ◦ Integration of the design with optical sensors, CMOS and basic image processing software development ◦ Integrated prototype developed • Prototype testing in Pre-clinical settings and design optimization ◦ Testing of prototype in pre-clinical setting using phantom head with jaw set with atleast 3 dentists. ◦ Further optimization of prototype with feedback from pre-clinical study. • Prototype testing in clinical setting and optimization ◦ Prototype testing in dental clinics/dental college and hospitals (atleast 10 dentists) to get feedback from specialists ◦ Optimization of design and software according to the feedback •

Dear Vijaykumar,

Congratulations!

I am happy to inform you have been selected to receive the prestigious scholarship 'Prime Minister's Fellowship for Doctoral Research'. This is a unique, highest-paying scholarship of Science & Engineering Research Board, Department of Science and Technology, Government of India and Confederation of Indian Industry. Your application went through a rigorous selection process, and was scrutinized by high level Apex Council comprising experts from academia and industry.

The aim of the Prime Minister's Fellowship Scheme is to bring industry closer to academia through cutting-edge research and give the benefit of dual exposure to both industry and academia to PhD scholars. With companies from across the world and top notch academic and R&D institutions of India partnering in this scheme, the Government and industry are hopeful of creating a new kind of research movement in the country which will nurture the talent of bright young scholars and make them industry-ready.

I congratulate you on being selected to receive this scholarship and wish you the best in your academic and personal endeavours.

As a next step, you are required to sign a Memorandum of Agreement (MoA) with your institute and industry.
