Telugu Language Class (2021-2022)

Activity Report

Event: Telugu Language Class

Date: 6th to 9th December 2021

Time: 03:30 – 05:00 pm

Venue: Oral Medicine Dept seminar hall, MNR Dental College & Hospital

Number of participants: 13

Resources person: S. Anuradha, M.A (English), Assistant Professor from MNR Rural PG College of Education

Students: 1st year BDS students.

Brief description:

Dentistry is a professional course which requires good communication skills in order to flourish. Some students who were admitted in MNR Dental College and Hospital are not familiar with the local language Telugu, as they come from various states across India. These students find it very difficult to communicate with the patients. Hence these students were trained to speak Telugu and improve their communication skills with this program.

Evidence:

6th Dec-2021, Telugu class by S. Anuradha & students attentive during the class

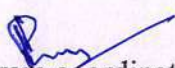

7th Dec-2021, Telugu class by S. Anuradha.

8th Dec-2021, Telugu class by S. Anuradha.

9th Dec-2021, Telugu class by S. Anuradha.

"Communicative English training" (2018-19)

Activity Report

Event: "Communicative English training"

Date: 10th September-2018

Time: 03:00 - 05:00 pm

Venue: LH # 3, MNR Dental College & Hospital

Number of participants: 58

Resources person: Mr. Kotaiah Veturi, MA, M. Ed, (English), Ph. D.

Principal, MNR Rural PG College of Education

Students: 3rd, 4th year BDS students & Interns.

Brief description:

The purpose of the training was To make students understand the importance of communication skills and collaborative skills. Dentistry is a professional course which requires good English with meticulous communication skills in order to flourish. Students who find it difficult to communicate with dental terminology with the patients were given this program. Hence these students were trained to speak English and improve their communication skills via this programme.

The programme was moderated by Mr. Kotaiah Veturi and students were benefited from the class. Towards the end of the program, open feedback system was recorded from the students. The program was very informative & was very much useful for them in interacting with doctors and patients.

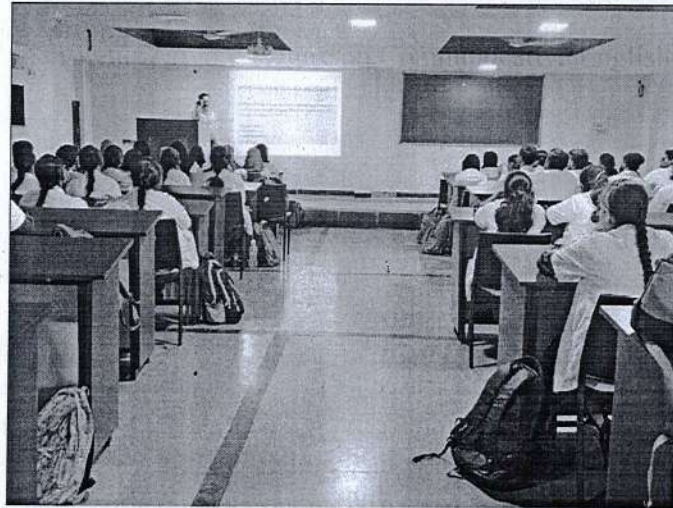

The management and Dr. Sujatha Gopal, principal thanked Mr. Kotaiah Veturi for sharing his expertise with students and for making the program successful.
